Though "grizzled" may not yet apply to this veteran of countless battles in defense of The Republic, Domonic Voeller certainly qualifies as "seasoned" at the very least. Since joining the Highlanders First Kearny at age 19, this man has seen combat on more Republic border worlds than he'd care to count, and can tell chilling stories of barbarism from any one of them. His favorite slogan, "Be grateful you live in The Republic, kid," ends every one of these tales—a sentiment he feels from the heart.

When the HPG network crashed, Voeller's greatest fears were realized as the horrors of war blossomed across The

Republic. Never exactly an idealist, his strong love of The Republic and its people's well-being nonetheless left him enraged that leaders such as Duchess Tormark and Galaxy Commander Radick would so quickly toss aside their own allegiances and bring war to innocents.

Assured that the Highlanders' devotion to Devlin Stone's dream is absolute, Voeller automatically treats any who oppose them as an enemy of The Republic, and shows little mercy in battle. This fanatical mentality has won him the personal friendship of the like-minded Joel Nguyen, a member of his assault lance.

Clan Hell's Horses' massive *Cygnus* entered service in 3075 during a Clan-wide revitalization that followed their successful invasion of Clan Wolf's Inner Sphere holdings. Built for simplicity, survivability, and lethality, the *Cygnus* delivers tremendous firepower for quick, brutal victories in any Trial, often flattening the opposition with a powerful one-two blast from its rapid-firing assault autocannons.

HH843-16T stormed off the assembly line at the height of the Jihad, and was among the token force that Clan Hell's Horses eventually dispatched to help defeat the Blakist menace. After the war, the Horses gifted a portion of their troops to the newborn Republic in hopes of fostering Devlin Stone's vision of bringing an end to the horrors of war, keeping with their Warden views. Domonic Voeller, the current pilot of this machine, has nicknamed it "Blast Master" for its overwhelming firepower.
